

Excess revenues from the sale of recyclable materials are transferred to the Heating Assistance Program managed by the Department of Social Services pursuant to RSMo 34.032. The Heating Assistance Program (HAP) - also known as Utilicare - provides financial assistance to low-income Missourians for heating their homes during winter months. The State Recycling Program has transferred a total of **\$135,000** to the HAP since 1995.

As a result of state employee recycling efforts, the State Recycling Program was able to make the largest one year contribution in FY05. The **\$40,000** transferred to the HAP in FY05 will help approximately 200 households in Missouri to pay their heating bills.
